

Avian Egg Incubation Workshop

10 – 13 October 2012

This course was offered by Durrell Wildlife Conservation Trust as a collaborative course with approval from the EAZA Academy.

The course was co-directed by internationally renowned incubation experts Susie Kasielke (Los Angeles Zoo) and Pat Witman (San Diego Zoo) who were supported by staff from Durrell's Bird Department.

Details of institution are correct for the course date but may change over time.
